Perfectly practical

SHANNON DENNY confirms that practicality and prettiness go hand in hand

Breakfast's ready

littala's been making striking tableware since 1881, and their expert devotion to both form and function means they're in no danger of going anywhere fast. New out is the whimsical Satumetsa collection, including plates, a mug and bowl – a cheerful way to start the day. The large plate is £27 and the mug £15.50.
